Turbulent Times

Turbulent Times

Brexit

- Reconfiguring the Supply Chain
- Access to labour markets and new forms expertise

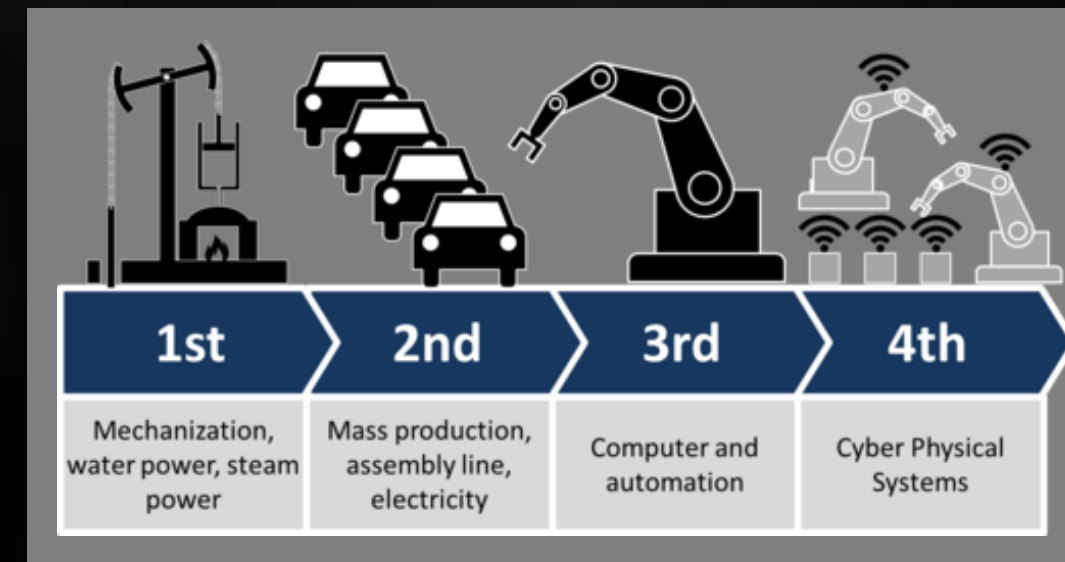

*Digital Transformation – 337 Execs Surveyed

- 75% - Digital Transformation is "important"
- 30%+ 😞 "dissatisfied" with progress
- Only 5% "very satisfied"

**Industry 4.0 represents the next great industrial revolution

- Improved automation using intelligent feedback between manufacturing devices, processes and managers.
