

We are proud to present
 the
 2017 i-UG Executive Round Table
 at the
 Double Tree International Hotel, Milton Keynes
 on the
 early evening of the 13th June 2017.

Ever thought of making your boss your +1?

Like last year, you have the option of bringing an Executive to the event FOC and have a chance of getting them involved in the exclusive i-UG Executive Round Table.

Let them hear first-hand from IBM Senior Executives what IBM's plans are. This exclusive, private forum even allows them to put their questions and concerns face to face with no restrictions or moderation.

If your boss has something to say about the future of IBM, POWER systems or IBM i, this is the ideal place for them to say it.

Places are strictly limited and demand is high, so send your nominations early by completing this form →

i-UG
 Executive Round Table
 13th June 2017
